## Frequently Asked Questions

1. An "ACCREDITED OHIO THOROUGHBRED HORSE" means a horse conceived in this state and born in this state which is both: (a) Born of a mare that is domiciled in this state at time of the horse's conception, that remains continuously in the state through the date on which the horse is born, and that is registered as required by the rules of the State Racing Commission; registered with the State Racing Commission, (b) By a stallion that stands for breeding purposes only, in this state in the year in which the horse is conceived and that is registered as required by the rules of the State Racing Commission.

2. An "OHIO FOALED HORSE" means a horse registered as required by the rules of the State Racing Commission which is either of the following: (a) A horse born of a mare that enters this state before foaling & remains continuously in this state until the horse is born; (b) A thoroughbred foal produced within the state by any broodmare shipped into the state to foal and be bred to a registered Ohio stallion. To qualify this foal as an Ohio Foaled Horse, the Broodmare must remain in Ohio one year continuously after foaling or continuously through foaling to the cover of Ohio Stallion, whichever is sooner.

FOR PURPOSES OF THIS PARAGRAPH (#2), THE TERM "ENTERS" SHALL MEAN PHYSICAL ARRIVAL IN THIS STATE ON OR BEFORE AUGUST 15TH OF THE YEAR IN WHICH A FOAL IS CONCEIVED.

All horses previously registered as Ohio conceived and foaled will be considered as Ohio foaled horses effective January 1, 1976, as provided in division (A) (2) of section 3769.083 of the Revised Code. All horses registered as Ohio-conceived, and foaled will be considered as Ohio-foaled effective January 1, 2014, as provided in paragraph (F) of this rule.

An "Ohio-bred" for the purpose of these conditions means one registered with the Ohio Thoroughbred Race Fund. These conditions are subject to interpretation, review and revision at any time by the Ohio State Racing Commission. All decisions made by the Ohio State Racing Commission with respect to these rules & regulations shall be final. You do not have to be an Ohio Resident to own an Ohio Registered Thoroughbred to participate in the Ohio Program.

## Questions & Answers

1. If I buy a mare in foal in the out of state fall winter sales, when does she have to be in the State of Ohio? **Answer: Before foaling, and she must be registered.**
  - a. What is the registration cost? **Answer: \$100 registration**
2. What is the cost of registration on a mare brought in after August 15th?  
**Answer: \$100 registration**
  - a. What if it is a new maiden mare brought in after August 15th?  
**Answer: \$100 registration**
3. If I register a mare when I bring her into the State of Ohio, do I still need to renew her August 15th of the same year? **Answer: No, but you have to submit renewal form at no cost.**
4. Do I have to register my mare every year? **Answer: No. As long as she has a registered foal with-in 5 years of registration.**
5. If my mare has always been in the State of Ohio & registered, do I still need to renew her?  
**Answer: Yes, by August 15th. It is an annual renewal.**

6. What happens if the foal is born before I get the mare registered? **Answer: You can register the mare with late fees applied - \$500 late and \$100 registration. With-in 2 years of said foaling.**
7. I have a registered Ohio Mare with a late foal at her side that I do not plan on breeding this year. Do I send in the renewal form? **Answer: No, if the mare is not in foal, you do not need to send in the renewal. Only in the year of conception.**
8. Could you give further explanation on 2a of the rule? **The pregnant mare is brought into the State before August 15, registered and stays in the State until after foaling. She may leave the State after foaling, but if she does, she must again return to the State by August 15th in order for her next foal (sired by an out-of-state stallion) to be an Ohio-foaled horse. This process can be repeated each year, as long as the mare is resident each year in Ohio before August 15.**
9. Could you give further explanation on 2b of the rule? **Answer: The difference between 2a and 2b is that if the mare is brought into the State after August 15th, she must do the following: 1.) Must be registered and stay in the state until after foaling AND 2.) MUST be bred back to an Ohio stallion and stay resident in the state until foaling the following year. If the mare is bred back to an Ohio stallion and does not get in foal, she still must remain resident in the state for 1 year. If the mare happens to die during any period after foaling, this will be considered a special circumstance and will be addressed directly by the Racing Commission.**
10. Where can I get registration forms? Where do I send the forms? **Answer: Ohio State Racing Commission website. Send them in to The Ohio State Racing Commission.**

## General Questions

1. What happens if I don't send in my Stallion renewal and Broodmare renewal? **Answer: Not eligible for the Ohio Thoroughbred Race Fund program for that year.**
2. What happens to awards when the Breeder or Stallion owner dies? **Answer: No awards shall be made after the death of the Breeder or Stallion owner unless there is a surviving co-breeder or stallion co-owner listed.**
3. If I have a registered Ohio bred filly/mare, do I have to re-register her as an Ohio broodmare? **Answer: Yes, she must be registered as a broodmare in order to participate in the Ohio program.**
4. How do I receive my broodmare and stallion awards? **Answer: You must fill out and send in the Breeders License Application for \$10 to the Ohio State Racing Commission. This must be done annually. Awards are not paid retroactively.**
